

ST. JEROME VIRTUAL CURRICULUM NIGHT

THURSDAY, SEPTEMBER 23RD 2021

www.sites.google.com/ycdsb.ca/sje2021-2022

This year, we are happy to welcome parents/guardians into our classrooms, virtually! Parent/guardians will be able to view an introduction of our school staff using the website link shared via school messenger.

Afterwards, according to your child's grade you are invited to enter a Google Meet. Here, you will be able to meet your child's teacher and receive an overview of the curriculum as well as specific grade/classroom information & routines.

HOW TO ACCESS THE GOOGLE MEET?

By signing into to your child's Virtual Learning Environment (Google Classroom), parents/guardians will find a meeting code and be able to click on it to join the virtual meet.

For Special Education Music/French/Phys Ed., please click the links on this page.
